

Big Sur Volunteer Fire Brigade

PROCLAMATION

VOLUNTEER OF THE YEAR

2016

TREY KROPP

Each year the Big Sur Volunteer Fire Brigade honors one of its members who has made an outstanding contribution to emergency service, the community and the Brigade. This year we honor one of our members whose contribution has been exemplary.

From the time he joined the Fire Brigade in January of 2015 **Trey** hit the ground running and hasn't looked back. He started attending trainings for all three of the emergency services, fire, rescue and medical. He completed the Emergency Medical Responder class and started responding to medical calls right away. His training attendance is incredible, and his call response is the highest for the entire Brigade.

Trey can often be found busy washing and cleaning the inside of the apparatus at the fire house, volunteering to drive down to south coast to check on the equipment down there and installing lights on the squads. He is always willing to help with shuttling apparatus back and forth from town. When we have calls on the south coast he always will come up on the radio and offer to respond.

Trey has done an excellent job with mentoring Fabian when he first joined the Fire Brigade. He took him under his wing and worked with him at trainings and doing extra work around the fire house. He has set a wonderful example for Fabian to follow.

Trey's knowledge of computers and the internet has also been a big help to the Brigade and he is always willing to help with problems. He is just a real pleasure to have on the Brigade.

On behalf of the Board of Directors, the Officers and the members of the Brigade, I am pleased to proclaim **Trey Kropp** the **Volunteer of the Year** for 2016 with congratulations for a continuing job well done!

Martha Karstens
Chief
