

## PROCLAMATION

### VOLUNTEER OF THE YEAR 2018 FABIAN PEREZ

Each year the Big Sur Fire honors one of its members who has made an outstanding contribution to emergency service, the community and Big Sur Fire. This year we honor one of our members whose contribution has been exemplary.

From the time he joined the Fire Brigade in 2015 **Fabian** has completed all of the required trainings in addition to the many other trainings that were not required, like the recent Wilderness EMR class.

**Fabian** received the rookie of the year award in 2016 and since then has grown to be an even more accomplished fire fighter.

**Fabian** is always volunteering to literally “go the extra mile” using his trailer to help haul off the cars from the auto extrication class and take the tables and chairs to the Muster. He helps with things like watering down the area for the muster and consistently helps with volunteering for events like the Marathon. Always answering cheerfully when asked to do something with a “no problem”.

**Fabian** is in the top three with his call response and training as well. He did an outstanding job doing scene size up when he was the first Big Sur Fire member on scene at the challenging vehicle accident and fire we responded to this year.

On behalf of the Board of Directors, the Officers and the members of Big Sur Fire, I am pleased to proclaim **Fabian Perez** the **Volunteer of the Year** for 2018 with congratulations for a continuing job well done!
