_____ I prefer permit approval sent to me by email. (Include email address above)

_____ I prefer permit approval to be sent to me by postal mail.

Burning is allowed **ONLY** on Permissive Burn Days. For each day of burning, the permit holder **MUST** call **1-800-225-2876**, to determine if it is a permissive burn day.

Residential Burn Permit Terms and Conditions:

1. Burn hours are between **8:00 AM and 3:00 PM**. The fire must be completely extinguished by 3:00 PM.
2. Prior to any burning, you must call the Big Sur Fire Headquarters Fire Station at 831-667-2113 and leave a message stating the day you will be burning and the location. The call must be made each day you are burning.
3. A copy of this permit must be on site and shall be available upon request during burning operations. This permit may be revoked by fire personnel for violations of the terms and conditions of the permit.
4. Violations of any of these permit terms are a violation of California State law. (Public Resources Code 4421, 4422, 4423, and 4425). Health & Safety Code 13009 states that persons who lose control of a permitted burn may be held liable for suppression costs. A VIOLATION OF THE AIR RESOURCES DISTRICT RULES AND REGULATIONS IS A MISDEMEANOR AND CAN SUBJECT YOU TO MONETARY PENALTIES.
5. Burning shall be done **ONLY** when weather conditions (particularly wind) are such that it can be done safely. Remember, if your burn escapes, you may be held responsible for the cost of extinguishment.
6. Maximum burn pile size is 4 feet x 4 feet x 4 feet with at least a 10-foot clearance around the pile that is free and clear of all flammable material and vegetation.
7. A responsible person **MUST** be in attendance until fire is out. Never leave your fire unattended. An adequate water supply must be on hand.
8. This permit is valid for each burn season, **December 1st through April 30th** on permissive burn days unless suspended by fire officials during periods of fire danger or revoked by fire personnel. Each new burn season requires a new burn permit.
9. Residential Burning is to dispose of natural vegetation originating on the property of a one or two-family dwelling. Burning is not allowed on commercial property unless specifically permitted by Big Sur Fire.
10. Burn only **DRY** clippings and trimmings from trees and other natural vegetation. Grass, leaves, and pine needles **shall NOT** be burned.

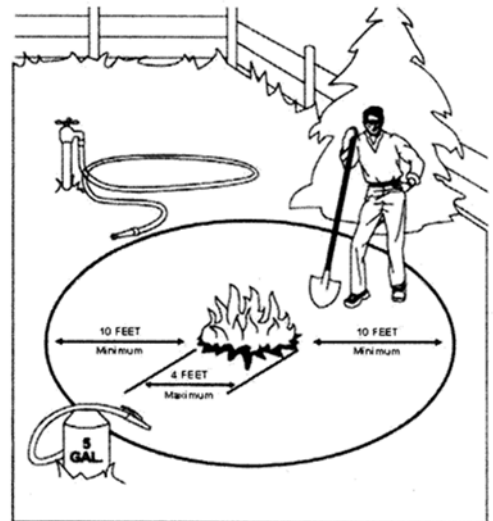

11. The hotter the fire, the less smoke there will be. Be aware of where your smoke is going. If the smoke is affecting your neighbors or creating an unsafe condition, put the fire out. **Smoke complaints may result in fire personnel revoking this permit.**
12. The use of burn barrels or incinerators is prohibited.
13. The use of any flammable or combustible liquid or substance to either ignite or sustain the fire is prohibited.
14. Residential burning is prohibited within 100 feet of any structure on an adjacent property.

Do not complete. For use by the BSF.
