For Immediate Release
September 2, 2020

UPDATE: Reduction of Evacuation Order to Warning – Partington Zone C

Partington Ridge, CA. - Effective immediately the evacuation order in place for Partington Zone C has been downgraded to an evacuation warning. Access is permitted only for residents due to fire equipment and emergency personnel in the area. The evacuation warning area for Zone C is as follows:

- Highway 1 at Anderson Canyon. (Post mile 35)
- North to: Highway 1 at Torre Canyon. (Post Mile 39)
- West of Highway 1 to the Pacific Ocean.
- East Highway 1 to North Coast Ridge Road to include Partington Ridge Road.

All other Evacuation Orders are still in place for Dolan Ridge Zone A, Lucia Zone B and Prewitt Ridge Zone J.

As a reminder an "Evacuation WARNING" (i.e. sometimes used interchangeably with the term "Advisory") means those in a specific area/zone should be prepared to evacuate at any time. You do not need to leave your home at this time but please be alert and prepared to leave if an Evacuation Order is called.

An "Evacuation ORDER" means those in a specific area/zone should leave immediately.

If you feel that your life is in danger, do not wait for an emergency notification.

Additionally: When an Evacuation Order is in place for a zone(s), this means the public, including residents, are not allowed to enter the zone(s). The closures will have Law Enforcement roadblocks on northern and southern closure of Highway 1 turning cars around that are not authorized to be in the closure. This also includes no "In and out" privileges for subjects who decided to stay at their properties despite the Evacuation Order. If you leave the closed area, you will not be allowed to re-enter.

An Evacuation Order signals an immediate threat to life and safety. This is a lawful order to leave now. The area is lawfully closed to public access. An [interactive map of the area](#) can be found on the Monterey County OES website

As a result of this extension the road closure for Highway one will be relocated to the area of Sand Dollar Day Use area.

All other Dolan Evacuation Orders remain in place.

Forest Order Number 05-07-51-20-19 remains in effect.

Firefighting resources previously assigned to the north end of the fire are being shifted to the southern end as the operations in the McWay Ridge area are secured. The Dolan Fire is burning two miles northwest of Nacimiento - Ferguson Road.

Alert Monterey County: To receive emergency notifications regarding evacuations and critical events in Monterey County please sign up for Alert Monterey County at the following website:
