

Dolan Fire - Effectively immediately an Evacuation ORDER is now in place for Zone L - Gorda

September 8, 2020 12:25:03 PDT

Monterey County Sheriff's Office has issued the following Evacuation Order:

Effectively immediately an Evacuation ORDER is now in place for Zone L - Gorda. Leave the area immediately. The evacuation Order area for Zone L is as follows: Highway 1 at Los Burros Road to Salmon Creek Falls (Mile post 2) including all roads and tributaries contained within. West of Highway 1 to the Pacific Ocean. East of Highway 1 to South Coast Ridge Road.

The Evacuation ORDER for Zone J and K remain in effect.

An "Evacuation ORDER" means those in a specific area/zone should leave immediately.

If you feel that your life is in danger, do not wait for an emergency notification.

Additionally: When an Evacuation Order is in place for a zone(s), this means the public, including residents, are not allowed to enter the zone(s). The closures will have Law Enforcement roadblocks on northern and southern closure of Highway 1 turning cars around that are not authorized to be in the closure. This also includes no "In and out" privileges for subjects who decided to stay at their properties despite the Evacuation Order. If you leave the closed area, you will not be allowed to re-enter.
