Evacuation ORDER for Monterey County OES Zone K

September 8, 2020

0930 hrs.

Effective immediately an UPGRADED evacuation ORDER is now in place for South Coast Ridge Road Zone K. Leave the area immediately. The evacuation ORDER area for Zone K is as follows:

Area bounded by Hwy 1 at about Mile Marker 15, East to intersection of Prewitt Creek Ridge Road and South Coast Ridge Road, South along South Coast Ridge Road to intersection of Los Burros Road and South Coast Ridge Road, west along Los Burros Road to Hwy 1 near Mile Marker 11, to include Plasket Ridge Road, San Martin Top, and Alder Creek Road. The Evacuation ORDER for Zone J remains in effect.

An "Evacuation ORDER" means those in a specific area/zone should leave immediately. If you feel that your life is in danger, do not wait for an emergency notification. Additionally: When an Evacuation Order is in place for a zone(s), this means the public, including residents, are not allowed to enter the zone(s). The closures will have Law Enforcement roadblocks on northern and southern closure of Highway 1 turning cars around that are not authorized to be in the closure. This also includes no "In and out" privileges for subjects who decided to stay at their properties despite the Evacuation Order. If you leave the closed area, you will not be allowed to re-enter.

Instructions:

Leave the area immediately
